## TCM Counseling Celebrates our 40<sup>th</sup> Anniversary with an Open House & Ribbon Cutting Ceremony

During the 1970's, the following six Churches met and decided to create a counseling agency where they could send people from their churches and the community to receive professional counseling.

On October 10<sup>th</sup>, we celebrated two things: Providing Hope & Healing to our community for 40 years, AND A successful Capital Campaign, *Building Hope*, with a ribbon cutting ceremony.

Our founding Churches:  
First Christian Reformed Church  
First Presbyterian Church  
Second Reformed Church  
St. John's Episcopal Church  
St. Paul's United Church of Christ  
United Methodist Church of the Dunes

## SPECIAL THANK YOU'S FROM THE OPEN HOUSE:

Holly Johnson & the GHACF for believing in TCM and providing us with a **Program Related Investment** that made it possible for us to purchase our new building and begin renovations.

Brian Klingel who helped walk us through the process of purchasing our new building.

Terry French of French Construction. He worked within our budget and transformed an empty building into a warm space where **HOPE BEGINS** and **HEALING CONTINUES** for anyone!

The TCM Board of Directors – a hard *working* board! AND the facilities committee that met for at least a year and a half, touring various buildings, looking at construction plans, and making tough decisions!!

Katie Cather & Paige Riopelle, the Project Managers. They put in COUNTLESS hours of time, making sure that TCM Counseling's new home wasn't just adequate BUT amazing!

Everyone who donated to our Capital Campaign, *Building Hope!*
